October 20, 2017

Urania Berlin | An der Urania 17 | 10787 Berlin

This career day is about the art of work-life-balance in scientific research. It addresses female and male students and researchers of all scientific career levels who would like to gain insight into ways of balancing that really work!

www.geo-x.net/career-day-2017

Our career day is free of charge.

Number of participants is limited.

Please register until September 1, 2017
